ANNUAL REPORT 2021

A message from the Board...

2021 was an exciting year for Reneal's projects in Tanzania. Thanks to a generous donation of laptops and other computer equipment from Apto Solutions, a US-based IT asset management company, Reneal was able to expand to Tanga Region and to two additional districts in Arusha Region. Reneal has now fielded 44 computer labs in government secondary schools in Tanzania.

2021 Accomplishments

Reneal installed **fourteen new computer labs** in schools in Tanzania, along with **five major lab upgrades**

Reneal is providing **scholarships** to **11 Tanzania boarding students** and **5 Philippines day students**

419 teachers received ICT training

Over 360 used computers began new lives in 2021 serving students overseas

"Thank you for your generous gift to Kimaseki secondary school. We are thrilled to have your support. Through your donation we have been able to continue using computers and make us to improve students performance. You truly make the difference for us, and we are extremely grateful!"

How to help

Reneal welcomes monetary contributions to purchase and ship computer equipment and to fund scholarships for students with academic promise and financial need. Reneal International Education Outreach Incorporated is a 501(c)(3) public charity, so all donations are tax deductible to the maximum extent allowable by law. Corporations and individuals can also turn obsolete computer equipment into opportunity for students and teachers. Learn more about how you can help at www.reneal.org/content/corporations.

*“We are thankful to you for your generous and kind help, we are very thankful to your Organization for providing us with computers which will help us provide our students with technical education, which is a must in present times”.
May God continue blessing you.--Suye Secondary School*
