

**Reneal International
Education Outreach**

2022

ANNUAL REPORT

A message from the Board...

2022 brought continued expansion for Reneal in Tanzania, thanks to the on-going generous computer hardware donation from Apto Solutions, a US-based IT asset management company. Two US NGOs, Network the World and ClosingTheDivide, provided vital funding for Reneal's computer lab projects. As a result, Reneal was able to extend computer labs to Dodoma Region and Manyara Region as well as Monduli District in Arusha Region. Reneal has now fielded **63** computer labs in government secondary schools in Tanzania.

2022 Accomplishments

Reneal installed **nineteen new computer labs** in schools in Tanzania

Reneal provided **scholarships** to **6 Tanzania students**

514 teachers received ICT training

Over 420 used computers began new lives in 2022 serving students

A **major server software update** with improved self-maintenance capability was completed

"Thanks you so much Reneal International Education Outreach for your committment to education. Your generosity has changed the lives of our students, present and future because of your donation. We continue to use computers that you sent to our school"

- - Mwandel Secondary School

How to help

Reneal welcomes monetary contributions to purchase and ship computer equipment and to fund scholarships for students with academic promise and financial need. Reneal International Education Outreach Incorporated is a 501(c)(3) public charity, so all donations are tax deductible to the maximum extent allowable by law.

Corporations and individuals can also turn obsolete computer equipment into opportunity for students and teachers.
