

2024

ANNUAL REPORT

RENEAL INTERNATIONAL EDUCATION OUTREACH

A Message from the Board

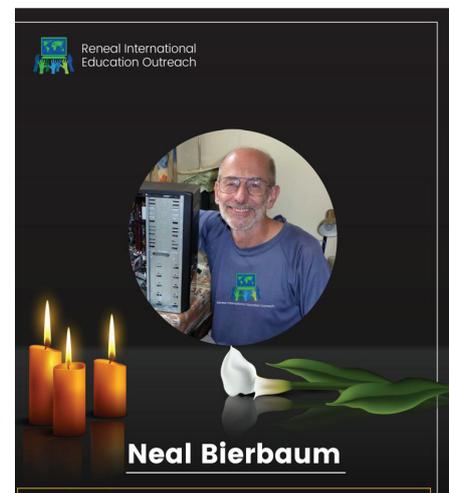

Thanks to the generous on-going support of Apto Solutions and other donors, Reneal continued its expansion in Tanzania in 2024. Reneal has fielded 105 computer labs in government secondary schools in Tanzania, serving students in ten regions across the country.

The Reneal Board welcomed Rick Smith as a new member. Rick has extensive experience working in Tanzania through his leadership in A is for Africa. Danny Nnko joined Reneal Team Tanzania as a technician in 2024.

In late 2024, we mourned the loss of Reneal co-founder Neal Bierbaum. Neal devoted the last 19 years of his life helping to bring computers and technology to students and teachers in the Philippines and Tanzania. Reneal's Teams in the US and Tanzania are committed to continuing Neal's legacy.

REST IN PEACE..!

How to help

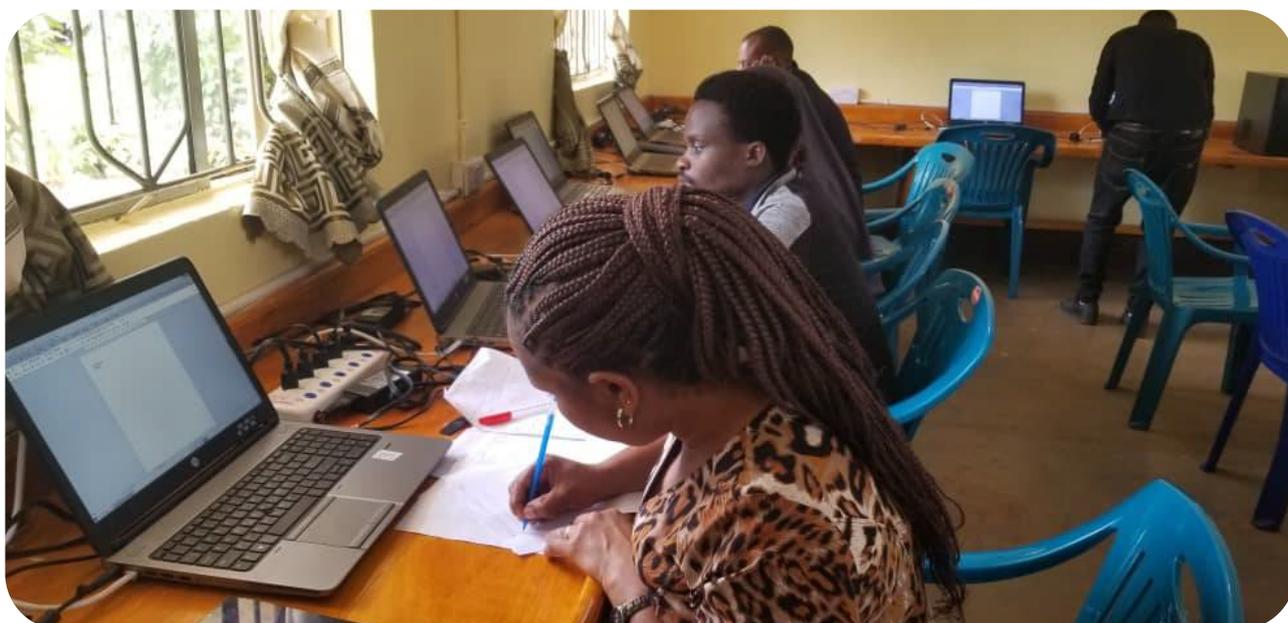

ReNeal welcomes monetary contributions to purchase and ship computer equipment to bring technology to students in Tanzania. ReNeal International Education Outreach Incorporated is a 501(c)(3) public charity, so all donations are tax deductible to the maximum extent allowable by law.

Corporations and individuals can also turn obsolete computer equipment into opportunity for students and teachers.

*"On behalf of the entire **Msata Secondary**, I would like to extend our deepest gratitude for your generous donation of computers. Your thoughtful contribution is truly making a difference in the lives of our students and staff. These new computers will open doors to countless learning opportunities, allowing our students to explore new resources, enhance their skills, and access information that will help them succeed academically".*

*"Your gift means so much to us. Thank you for providing us with the technology to grow, learn, and achieve." - **Ifati Secondary School***
